

Dissertation Funding and More
Thursday, November 8th, 2007, 12:00PM – 1:00PM
Laurel Heights Campus
Room 474

The UCSF Global Health Diplomacy Initiative and the School of Medicine Office of International Programs are sponsoring two informational workshops with representatives from global health funding organizations on Thursday, November 8th. Drop by either session and learn how you can apply for research and project support. Refreshments will be provided.

Representatives from the Institute on Global Conflict and Cooperation and Rotary International.
